KIS CLIMATE SURVEY

As we close out the year, it is time for us to reflect on what we have done well and what we can do to improve. Every year, as part of this process, we send you a "Climate Survey," something that we also use as a part of our accreditation process.

Please take the time to fill out our climate survey at the below link. We would appreciate your feedback and will use this survey in making strategic decisions in the future.

https://www.surveymonkey.com/r/school_climate_2016-2017

Thank you for taking the time to assist us in this important process.

May is already here and it seems like time doesn't slow down for anyone. Ever since my visit in March, a day has yet to go by without the thought of moving to Kyiv. Though some of these thoughts have to do with packing boxes and the chocolate we enjoyed during our visit, the vast majority have been in regards to a smooth transition and the building of a unified, open, and positive team of staff. I believe strongly in the safety and wisdom in councils and that multiple perspectives bring clarity of vision and direction.

I hope that the familiar and returning faces of our team bring you some comfort and ease any transitional concerns, but I also hope you feel the same excitement I do for the new administrators joining KIS. We have already met as a team via Skype to discuss the 2017-18 school year. Though everyone is still very busy at their respective schools, we will continue to meet and prepare for next school year. I would also like to thank Mr. Eben Plese for his willingness to share his vision and wisdom regarding the school.

We are all looking forward to being together in the fall!

Incoming Teachers for 2017-2018

Jeff & Shanna Tempel

Middle School Academic Coordinator & MS/Elementary Counselor

Hello! We are Jeff and Shanna Tempel, and we will be starting our career in international education in August at Kyiv International School. We have both served as public school educators in the metropolitan Kansas City, Missouri area for the past fifteen years. Our educational philosophies center around the belief that a positive school community is the key to student success. We strive to develop authentic, trusting relationships with staff members, students, and families to promote a safe and successful educational environment for all.

Jeff is a certified school administrator and teacher in the content areas of social studies and special education in the state of Missouri. He taught middle and high school for eleven years, coached boys basketball for five years, and has served as a middle school assistant principal and athletic

director for the past four. Shanna is a certified school counselor and teacher in the areas of speech, theatre, and English in the state of Missouri. She taught middle and high school for seven years, and has been a school counselor for a total of eight years, serving elementary, middle, and high school levels.

Our three children will also be joining the KIS family. Cooper (3), Max (7), and Xander (10) are looking forward to meeting their new friends and teachers, and exploring the fascinating city of Kyiv. Our family feels very fortunate to have the opportunity to join the KIS community, and we eagerly await our opportunity to meet you all in person!

Maura Martin

Elementary Director of Instruction

My name is Maura Martin. I am from the USA and have grown up in Pennsylvania and lived as an adult in Baltimore, Maryland. I am the current Director of Instruction at Tirana International School in Albania. My educational background includes a MA in instructional leadership and an MA in curriculum and instruction as well as my BA in elementary education K-8. I have worked in three QSI schools for a total of 20 years of QSI experience and this year I have celebrated my 25th school year working in education. (I worked 5 years as an elementary teacher in Baltimore, Maryland). My years of experience in QSI include 9 years as an elementary teacher and 11 years as an administrator. My administrative experience includes Intensive English Coordinator (Almaty, Kazakhstan) for 3 years, Elementary Director of Instruction (Almaty, Kazakhstan) for 2 years and Director of Instruction for ages 3 to secondary in Albania for the last 8 years. I am familiar with the workings of large and small schools. I get excited about being in classrooms with teachers and students. I love to see what children are interested in and learning about the exciting ways teachers use to engage their students in the process of learning.

Some of the things I dearly enjoy are wandering around old cities, finding beautiful art museums, and going to the movies or theater. I have for the last 8 years, on top of being the Director of Instruction, ran the theater department in our school. I have put on 10 performances in 8 years which include secondary plays and elementary musicals. I love directing and designing theater productions. It is my passion.

I am coming to Kiev excited to learn about the culture and begin a new adventure. I am bringing with me my two children. Maxim who will be in secondary 2 class and Oskar will be in the 12 year old class. They have spent most of their time in school in Albania so they are a little nervous to arrive in Kiev. They have participated in CEESA events such as robotics and swimming. Our family enjoys playing games, climbing castle walls, and loving cats.

We look forward to getting to know the school community (students, staff, and parents), the city of Kiev, and the country of Ukraine!

Guy Edmunds

Secondary English Teacher

Hello, my name is Guy Edmunds, and I will be teaching in the Secondary English Department. I began my teaching career fairly recently, after fifteen years as a humanitarian aid worker and eight concurrent years as a freelance journalist (mostly for The Economist). It has been a very life-affirming change, reminding me how much I loved learning when I was in school, and how much I continue to learn as an adult.

I grew up in the UK, where I received a very traditional British education, before moving to the US for a Master's degree. I have been living and working internationally ever since.

Joining me in Kyiv will be my Italian wife, Monica, and our two wonderful young daughters. We are coming from Tbilisi, Georgia, where several QSI colleagues have been regaling me with their very happy memories of KIS.

Emily Hyska

Secondary Biology Teacher

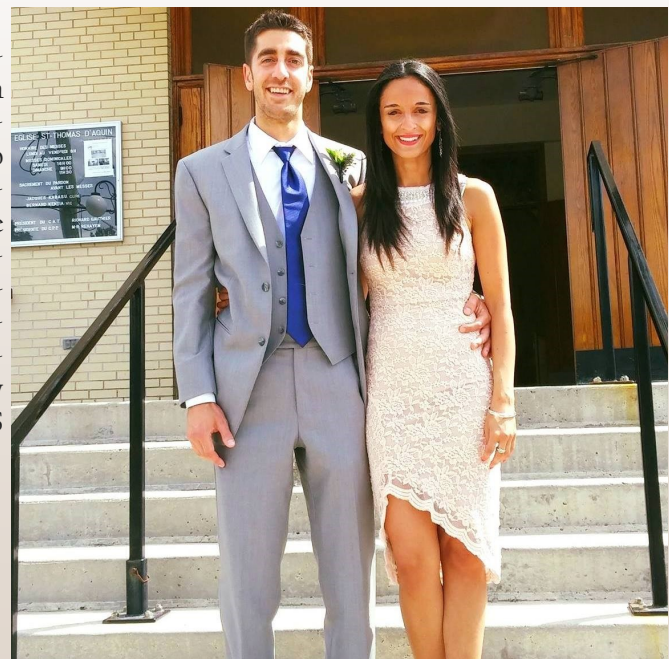

Hello from Minsk, Belarus! My name is Emily Hyska and I am looking forward to moving to Kyiv. In fact, it has been my dream to move back to Ukraine after living and working for a short time in Kharkiv, Ukraine in 2013. I have been teaching at QSI Minsk for the past three years and taught for seven years in Oklahoma, USA (my home state). I have taught almost every middle and high school science course including two AP courses. But Zoology and Environmental Science are my absolute favorites. My bachelor's degree is in Biology and my master's degree is in Education with a Psychology emphasis. I am also a certified school counselor. I will be joined by my wonderful husband, Denis. He is a civil engineer by profession and his home country is Albania. In case you were wondering, the "y" in Hyska is an Albanian letter/sound of which there is no English equivalent, but "Hoo-ska" is close enough! We are excited to join you in Kyiv in August!

Victoria Nedko

French Teacher

My name is Victoria Nedko. My husband and I moved to Kiyv in August of 2016. During this past year, I have been working at The British International School teaching Year 5 while my husband has been working at the Canadian Embassy. I am extremely excited to be coming to Kiyv International School next year to teach French. I have been teaching French Immersion in Ottawa, Canada for the past 8 years and have taught from the primary levels up to the secondary levels. I have a Bachelor of Arts Degree with a specialization in Second Language Acquisition and I also have a Bachelor Degree in Education. I have run numerous French Clubs both at my last two schools in Canada and at my current school here in Kiyv. French has always been, and will always be my passion. I very much look forward to joining the dynamic team at KIS next year.

Gale & Alisa Stubbs

Middle School Mathematics Teacher & 9 Year Old Teacher

Growing up in the state of Illinois in the United States may have helped prepare me for the cold winters in Kyiv, as my wife and I look forward to our move in August. However, being in Kyiv in February of 2003 for a basketball tournament hosted by KIS, I still remember the cold and wind that froze our players and coaches while touring the sites of the city.

My name is Gale Stubbs, and I am looking forward to coming back to QSI after a year in the United States. I have served with QSI for 14 years in various positions; teaching in Middle School and Secondary, serving as Athletic Director, and working in administrative roles. My wife and I have worked in QSI schools in Kazakhstan (Almaty and Atyrau); Dongguan, China; El Tigre Venezuela; and Sarajevo, Bosnia & Herzegovina. During these years, I have had the opportunity to teach Mathematics, English, Cultural Studies, and P.E.

My wife and I come to KIS with a great love for and excitement to be returning to QSI. We have experienced various aspects of QSI life, both as staff members and parents. Our two youngest children studied for several years in Almaty International School (AIS), with both of them graduating from the school. Also, our oldest daughter taught at AIS for a year. So, we are very tied to the organization, appreciate the Success Orientations and the Mastery-Learning approach to education which QSI promotes, and enjoy the family atmosphere of the various schools in which we have served, regardless of the size. I look forward to meeting the parents at KIS and working particularly with the Middle School and Secondary students and staff.

Hello! My name is Alisa and I am Gale's wife. He has given you already the major highlights of our time with QSI. My role for 12 of those years has been as a six-year-old classroom teacher. The other two years were spent in Venezuela where I taught a multi-age classroom of eight, nine, and ten year olds. I love kids and teaching, and I am so looking forward to being a part of KIS!

To help you get to know me a bit more, I am a nature lover and can't get enough of learning about the world around us! Just puts me in awe. I'm not much of one to discuss politics or sports. I do love cheering on the kids who participate, though. Exercise is a much needed part of my life that I sometimes enjoy, especially walking. My husband and our kids occupy a large amount of my time as we have four grown and married children, and five grandchildren (number 6 is on the way) that we will be missing very much!

Lastly, I would say that I am very much a team player. To be an encouragement and support to those around me is very important to me. I look forward to meeting and getting to know you very soon!!

Elementary Junior Soccer Competition

The KIS Elementary Kozaks Soccer Team participated in the Junior soccer competition at British International School last week. Each team had girls and boys playing together. Our team played very hard, with desire to win. They showed the best Sportsmanship behavior. Our boys and girls were helping each other and did not give up. As result they took 3rd place and we are ready to host this tournament next school year in September at KIS. Good job Kozaks!!!!

AP Studio Art Exhibition

The culmination of Khrystyna's work in the AP Studio Art Program is on display in the KIS Reception Area Art Gallery starting today. Khrystyna's comprehensive portfolio is a broad exploration of her personal vision, and features a thoughtfully-curated display of her body of work.

"In my artworks, I use a variety of media such as watercolor, pencils, colored pencils, acrylic paints, markers, and glitter. I have been drawing since my childhood, and it became my hobby. Also, my friend Veronica helped me a lot with my art development. Veronica taught me a lot of things about art-making and she encouraged me. I was born in Kiev and I live in Kiev. I have studied at KIS for two and half years".

Summer School Application

Kyiv International School Summer School Application 2017

Kyiv International School's Summer Program is designed for those students who have not completed required units during the 2016-2017 school year. Participants will work with a qualified teacher to finish required assignments for unfinished units or will be expected to do all assigned work for a unit not yet begun. An end of the unit assessment is normally required to complete a unit and when a satisfactory grade is achieved it will be posted on the school data base. Any units that a student would like to attempt to finish during summer school must be preapproved by the current teacher and the Director of Instruction, Mr. S. Legan, or Mr. F. Galicia. Students who have completed less than 7 units in a subject are normally not allowed to attend summer school. Such courses are usually rescheduled in the next academic year. In extenuating circumstances, with the approval of a DI, a student may be allowed to attend SS with less than seven completed units. This decision will be made at the discretion of the individual DI's.

<u>Week 1</u> June 19 – June 23
<u>Week 2</u> June 26—June 30

The minimum registration fee is \$350 per week and students must prepay a \$60 non-refundable deposit along with this application. When work is satisfactorily completed and fees are paid grades will be posted on the school web site. **Summer school registration will close on Wednesday, June 14 th, 2017.**

When this application is received, summer school staff will begin collecting materials, books, teacher reports and unit information to optimize the summer school experience.

School rules are still in place during summer school and students found violating school rules will be removed from the program without refund.

Classes run from 9:00 am-3:00 pm each day and there will be no bus service. Students interested in lunch may order from the cafeteria, by 9:30 a.m. each day.

Name _____ Date _____ Grade level (2016-2017) _____

Summer School enrolment is being limited to 40 students per week to provide the optimum learning environment. Students will be accepted on a first come first served basis. The decision to limit enrolment is the responsibility of the Director of Instruction or the Summer School Administrator.

STUDENT AGREEMENT:

1. I will be on time to class.
2. I will do my best to learn, complete units and contribute to a positive classroom environment.
3. I understand that physical confrontation, harassment, defiance of authority or vandalism will be grounds for immediate dismissal from summer school.
4. I agree to respect the buildings and grounds and contribute to a trash-free environment.
5. Plagiarism or cheating may result in the removal of the offending student from Summer School without a refund.

Do you know that... Developing healthy eating habits isn't as confusing or as restrictive as many people imagine. The essential steps are to eat mostly foods derived from plants—vegetables, fruits, whole grains and legumes (beans, peas, lentils)—and limit highly processed foods. These are the guidelines for building a healthy diet. Be bright, eat right!
